New Buffalo Area Schools Food Service Department is dedicated to providing nutritious meals to all customers in a safe, friendly environment that promotes education, healthy lifestyles and character development.

## FOOD SERVICE DEPARTMENT

### Universal Breakfast Pilot Program begins at New Buffalo Elementary

What's the best way to get your kids ready for school? It's not buying extra notebooks, pens or that flashy new backpack. The best way to prepare your kids is to make sure they eat a balanced breakfast everyday.

5th, 2007. Universal Breakfast will be offered FREE to all elementary students.

Studies show that student's who eat breakfast score higher on tests, have focus and less trips to the nurse's office. Whether your child eats breakfast at home or school, it's the right way to start the day!

New Buffalo Elementary School Food Service Department will be doing just that, serving your child breakfast! The School Board of New Buffalo Area Schools has agreed that student's should start their day the right way—with breakfast! A Universal Breakfast Pilot Program will begin on September

The Universal Breakfast Program will begin at 7:30 am each school day.

Menu's will be sent home monthly & posted on [www.nbas.org](http://www.nbas.org)
